

PSHE at Thorndown Primary School

At Thorndown we aim to promote spiritual, moral, social, cultural, mental and physical wellbeing amongst our pupils. We achieve this through our motivating and varied curriculum. PSHE at Thorndown develops the knowledge, understanding and skills that young people need to manage their lives, now and in the future.

PSHE is taught across the curriculum, in specific lessons, as stand-alone lessons, through specific projects or through involvement in the life of the school and wider community. Some of the areas which are covered through PSHE include: Keeping Safe, My Body and Growing Up, Healthy Eating and Drug Education.
